

FFC Sports is all about faith and fun!

We are excited to offer this Christ-centered sports program to our area. Families and children from Baldwin County Alabama and the surrounding areas (including Mobile County, Escambia County Florida) are invited to participate in one of the most essential sports ministries in our area!

FFC Sports (Fun for Christ) is a developmental sports league that will teach the fundamentals of various sports and the Gospel of Christ!

Our MMA program is for Boys and Girls, ages 6 and up. Each MMA student will learn the fundamentals of martial arts and self-defense.

We hope that you will join us as we teach our younger generation about Christ, teamwork, good attitudes, grace, love and how to safely protect themselves and others.

FFC Sports MMA is a positive environment!

- We do not permit parents to speak harshly to their own children, other children or other parents.
- We do not permit arguing with an instructor.
- Our instructors never use negative comments to students, other instructors or parents.
- We desire for our students to have fun and hear only cheers and see lots of smiles!

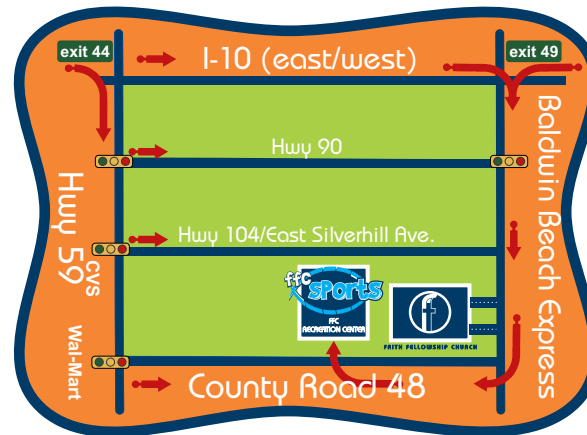

FFC Sports is a developmental league!

This means our focus is not on winning games or tournaments. Our program is designed to teach sports in a safe way in which each child is given an opportunity to learn skills, increase their knowledge of the game or art, gain self-confidence and enjoy being part of a team with equal playing time in all positions!
