Thank You Sponsors!

Dear FFC Sports Sponsor:

Thank you for helping us grow the FFC Kid's Community Sports program! Our sports program reaches Baldwin (AL), Mobile (AL) and Escambia (FL) Counties and teaches the **fundamentals of various sports** and **the Gospel of Christ!** Your support has enabled us to launch Flag Football, MMA (Mission Martial Arts), and soccer!

The FFC Sports program is guided by Faith Fellowship Church and a dedicated team of parents and volunteer coaches. We reach over 1,000 boys and girls and their families, ages 4-14 years old (varies by sport) every year on our sports fields! Each player learns the fundamentals of each sport, plays every position with equal time without any fussing or arguing on the field from parents, umpires, referees, or coaches!

In a time when sports programs are all about winning, championships, tournaments, playoffs, pressure to perform and money, we are a bit different. We are committed to offering a developmental sports alternative for every child as our league remains to be an equal play-time and position sports league. No one just sits the bench or plays just one position because of their size, weight, height, gender or skill level. On average about 20% of all registered players are on the spectrum or have disabilities, and another 25% are female. And we all play together as a team!

You have helped us build this special sports league in our community with your donations and support! We're asking you to help us GROW and EXPAND our sports ministry so that we can facilitate more registrations, expand into more sports offerings, upgrade our grounds and equipment, provide safe parking and widen our age groups. We have the land and labor, we just need the equipment and the resources to make this possible.

Will you sponsor us for 2025 to help us expand this sports program?

Please use the attached response card and send it back to us TODAY!

Thank you,
